1st January, 1920.

1. This Statement includes all the Municipal and Voluntary Maternity and Child Welfare Centres known to the Ministry on 1st January, 1920. The inclusion of a centre in this list does not necessarily mean that it has been inspected or approved, or that it obtains a Government grant.

2. Those marked with a * are conducted by Voluntary Societies; those marked with a † by County Councils; those unmarked by Local Sanitary Authorities, *i.e.*, Councils of metropolitan boroughs, county boroughs, non-county boroughs and of urban and rural districts.

3. Communications with regard to Centres conducted by County Councils or Local Sanitary Authorities should be addressed to the Medical Officer of Health of the county council at the county town, or to the Medical Officer of Health of the sanitary authority. The names and addresses of the Secretaries of Voluntary Centres are given in the statement. Where no private address is given, communications should be sent to the Secretary at the Centre.

4. The statement is in three parts: (1) London, (2) County Boroughs, and (3) Counties. To enable a centre to be readily found, an index of the towns and villages containing centres is appended.
